

NATURE-BASED SOLUTIONS TO ENVIRONMENTAL PROBLEMS

INTERNATIONAL SCIENTIFIC
AND PRACTICAL CONFERENCE

NOVEMBER 28-29, 2024

Ministry of Ecology, Environmental Protection and Climate Change of the Republic of Uzbekistan

**Central Asian University of Environmental and Climate Change Studies
(Green University)**

Research Institute of Environment and Nature Conservation Technologies

Second International scientific and practical conference
Nature-Based Solutions to Environmental Problems (NBSEP)

INFORMATION LETTER
(November 28-29, 2024)

In accordance with the 2024 plan for international scientific and technical events, as approved by Order No. 16, Appendix No. 1 of the Ministry of Higher Education, Science, and Innovation of the Republic of Uzbekistan on January 18, 2024, the **Research Institute of Environment and Nature Conservation Technologies** will host the Second International Scientific and Practical Conference, “*Nature-Based Solutions to Environmental Problems (NBSEP)*”, on November 28-29, 2024.

This conference will encompass a wide range of topics related to environmental science and protection, aiming to promote and discuss innovative nature-based approaches to addressing critical environmental challenges through sustainable ecosystem management and conservation practices.

Key Conference Topics:

7. Scientific and practical methodologies for biodiversity conservation and protection.
8. Air quality, land, and water resource protection.
9. Advanced technologies in waste processing and disposal.
10. Transitioning to a green economy and sustainable growth: challenges and solutions.
11. Environmental education and public awareness.
12. Ecosystem restoration using nature-based solutions.

Submission Guidelines:

- **Language:** Articles may be submitted in Uzbek, Russian, or English, with a minimum length of 3 pages.
- **Formatting:** Articles must be well-edited and thematically aligned, submitted in A4 format with 1.5 line spacing and margins as follows: top and bottom - 2.5 cm, left - 3 cm, right - 1.5 cm. Only electronic submissions will be accepted.
- **File Specifications:** Submissions must be in Microsoft Word format, using Times New Roman font, size 12. Pages should not be numbered.
- **Title and Author Information:** The article title should appear in uppercase, followed by the author's name(s) and institutional affiliation. A reference list should be included at the end of the article. Authors bear full responsibility for the accuracy of their submitted content.
- **File Naming:** The file name should include the author's last name and institution (e.g., “B.Abdullayev NUUZ” for an author from the National University of Uzbekistan).
- **Abstract and Keywords:** An abstract and keywords must be provided in Uzbek, Russian, and English.

Conference materials will be published in electronic format on the website ecoilm.uz and distributed to authors. Selected articles prepared in English will be published in a Scopus-indexed journal and in a special issue of the “Ekologiya xabarnomasi”.

Submission Deadline: November 20, 2024

Conference Dates: November 28-29, 2024. Both in-person and virtual attendance options are available.

Authors will receive notification of acceptance within three working days.

Submission Email: nbsep.uz@yahoo.com

Conference Location: 2, Chimkent road, Darkhan, Uzbekistan, Tashkent region, Tashkent district 111104
Contact Person: Ulugbek Mamajanov, (+998) 90 946 22 42
